

Preschool Weeks 3 and 4 of Distant Learning

At Home Activities are not required, simply suggested. Students could choose two activities a day to complete in the columns. Try altering activities to include two different domains (ie. One math and one science or fine motor).

Literacy	Math	Science	Social Emotional	Fine Motor	Gross Motor
Read a story. What was the setting? - meaning where did the story take place? can you recall another story in a similar setting?	Count by 10's to 100 while completing an exercise such as jumping jacks.	Help a parent make something using an online recipe: ideas would be homemade playdough or slime. Try to use materials around your home.	Share a time that you felt excited. What made you feel that way? What is something you are excited to do one day?	Practice buttoning and unbuttoning either a jacket or a pair of pants.	Play twister or hop scotch with your family.
Look at a cereal box or other food box. How many letters/words can you see? Share your findings with a family member.	Have a family member draw a shape on your back with their finger. Try to guess the shape. Switch.	Take a walk and see how many different colors you can find around you outside. Make a list.	While reading a book, track the feelings of the characters. What makes the way they feel change?	Practice pouring your own milk into your cereal bowl in the morning.	Put both feet together and jump. Do it again and try to beat your distance. Keep going until you can no longer beat your jumps.
Practice writing your name. Make it fancy. Add pictures to the letters of your name, (first or last name).	Print a color by number page from online and practice following the color directions and identify numbers.	Look for living things outdoors. Look for something large like a tree, something small like an ant.	Help your parents complete a job: sweep, wash dishes, make your bed.	Paint a picture of a flower. Use as many colors as you have available. Send a picture of it to your teacher.	Sign onto gonoodle.com and complete a dance activity of your choosing.
Think of words that rhyme with "hot," make a list of additional rhyming words.	Draw something in your house taller than an adult. Draw something smaller than you.	Pick out your own outfits and talk to your family about which pieces go together.	Draw messages on your driveway with chalk for neighbors or friends on their walks to see.	Use scissors to cut people out of magazine or catalogs. Glue them onto paper.	Play tag with a family member. If you have 4+ people, play "duck, duck, goose."
Create a book of the alphabet. Each page	Count objects in your house. How many	Make comparisons between living	Think about things that your family does	Draw a picture of your complete	Play a game where each member of your

gets a letter and draw a picture of something that begins with each letter	books do you have? How many boxes of cereal? etc.	things. For example, what is the difference between a dog and a human? What are similarities?	that makes you happy. What can you do to make someone in your house happy today?	family. Have someone assist you in labeling who each one is. Be sure to include all parts of their face and bodies.	house does an action, and you copy. Then you do an action and they copy. Repeat.
